Statement of observing the regulations concerning the University's students

I, the undersigned (name), (Neptun-code), student of the Eötvös Loránd University note that the students' standard rights and obligations are defined by the Act No. CCIV of 2011 on Higher Education and the related laws. Created on the basis of these, instructions of the Academic Regulation for Students (Volume 2 of the ELTE Organisational and Operational Regulations) are obligatory for every student and training activity of the University.

Additional regulations that apply to doctoral students are to be found in Annex 6 of the Academic Regulations for Students (Volume 2 of the ELTE Organisational and Operational Regulations), the Doctoral Regulations of Eötvös Loránd University, as well as in the respective Doctoral School's Operative Regulations.

The official and up to date regulations can be found on ELTE's webpage: <https://www.elte.hu/en/regulations> and on the webpage of Quaestura Office of Student Service: <https://qter.elte.hu/default.aspx>, choosing Documents > Regulations. All practical information (based on the above mentioned regulations) can be found on the Faculty's website: <https://www.ppk.elte.hu/en>.

The university's instructions and information regarding the pandemic caused by the new coronavirus (SARS-CoV-2) and its effect on your studies is available on the following website: <https://www.elte.hu/en/coronavirus>

I hereby state that I will be aware of the mentioned practical information during my studies and note that in my issues the University will act according to the regulations, and I acknowledge the fact that not being aware of the regulations does not exempt me from the possible legal consequences.

I also acknowledge the fact that the official data regarding my studies at ELTE is available for me digitally in the Neptun electric registry system, on ELTE's webpage, as well as on the webpage of the Faculty of Education and Psychology: <http://www.ppk.elte.hu/tanulmanyi>
